

The Sanctuary – Preparation for the Law Giver

ST Series 23 - Supplement

During the three days of preparation in which the people were to be sanctified and wash their clothes and be ready against the third day when the Lord would come down upon Mt. Sinai, they were to occupy their time “in solemn preparation to appear before God.” It then says that “their person and their clothing must be freed from impurity.” PP 303.5

In the last sentence of that paragraph in Patriarchs and Prophets, she says that as Moses was to point out their sins they (the people) were to devote themselves to what three things:

1. _____
2. _____
3. _____

Now, this part regards some thought. If this whole scenario is typology to be fulfilled in the antitype of One who was to come, how was this to be realized? [especially in re. to these three things]

On the following page of PP (beginning at the bottom of p.304), she says that Moses describing the scene after the trumpet blew long and hard and the thunders ceased, that there was a period of solemn silence. He described the scene in Deut. 33:2,3

"The Lord came from Sinai, and rose up from Seir unto them; He shined forth from Mount Paran, and He came with ten thousands of saints: from His right hand went a fiery law for them. Yea, He loved the people; all His saints are in Thy hand: and they sat down at Thy feet; every one shall receive of Thy words." Deuteronomy 33:2, 3. {PP 304.3}

What is meant by:

- Seir -
- Mt. Paran -
- Fiery law -
- In Thy hand -
- At Thy feet -
- Every one shall receive -

We will discuss in class next week your findings.
